

# GED Language Arts/Writing Test - Essay Scoring Guidelines

This scoring guide is given for your convenience. Testing sites, the state office and the national GED Testing Service will NOT explain to examinees where “*they went wrong*” if examinees desire information about their essays. **Time and costs** would make it impossible to provide this service without substantially increasing testing costs to you, the examinee.

For writing the essays, please consider using the five-paragraph method. Briefly stated, open with an introductory paragraph; build on concepts in paragraphs 2, 3, and 4; and summarize and wrap up in the last paragraph.

**Please note that there is NO QUICK FIX to poor grammar skills or poor writing protocol. You have to PRACTICE writing the right way. Check with your local Adult Education program for training.**
